2. Risk management and internal control

2.1. **The council must ensure that it has a sound system of internal control, which delivers effective financial, operational and risk management.**

2.2. The Clerk shall prepare, for approval by the council, a risk management policy covering all activities of the council. This policy and consequential risk management arrangements shall be reviewed by the council at least annually.

2.3. When considering any new activity, the Clerk shall prepare a draft risk assessment including risk management proposals for consideration by the council.

2.4. **At least once a year, the council must review the effectiveness of its system of internal control, before approving the Annual Governance Statement.**

2.6. At least once in each quarter, and at each financial year end, a member other than the Chair shall be appointed to verify bank reconciliations (for all accounts) produced by the RFO. The member shall sign and date the reconciliations and the original bank statements (or similar document) as evidence of this. This activity, including any exceptions, shall be reported to and noted by the council

2.7. Regular back-up copies shall be made of the records on any council computer and stored either online or in a separate location from the computer. The council shall put measures in place to ensure that the ability to access any council computer is not lost if an employee leaves or is incapacitated for any reason.

3. Accounts and audit

3.1. All accounting procedures and financial records of the council shall be determined by the RFO in accordance with the Accounts and Audit Regulations.

3.2. **The accounting records determined by the RFO must be sufficient to explain the council's transactions and to disclose its financial position with reasonably accuracy at any time. In particular, they must contain:**

- **day-to-day entries of all sums of money received and expended by the council and the matters to which they relate;**

3.4. The RFO shall complete and certify the annual Accounting Statements of the council contained in the Annual Governance and Accountability Return in accordance with proper practices, as soon as practicable after the end of the financial year. Having certified the Accounting Statements, the RFO shall submit them (with any related documents) to the council, within the timescales required by the Accounts and Audit Regulations.

3.5. **The council must ensure that there is an adequate and effective system of internal audit of its accounting records and internal control system in accordance with proper practices**.

3.6. **Any officer or member of the council must make available such documents and records as the internal or external auditor consider necessary for the purpose of the audit** and shall, as directed by the council, supply the RFO, internal auditor, or external auditor with such information and explanation as the council considers necessary.

3.7. The internal auditor shall be appointed by the council and shall carry out their work to evaluate the effectiveness of the council's risk management, control and governance processes in accordance with proper practices specified in the Practitioners' Guide.

3.8. The council shall ensure that the internal auditor:

- is competent and independent of the financial operations of the council;
- reports to council in writing, or in person, on a regular basis with a minimum of one written report during each financial year;
- can demonstrate competence, objectivity and independence, free from any actual or perceived conflicts of interest, including those arising from family relationships; and

3.11. The RFO shall make arrangements for the exercise of electors' rights in relation to the accounts, including the opportunity to inspect the accounts, books, and vouchers and display or publish any notices and documents required by the Local Audit and Accountability Act 2014, or any superseding legislation, and the Accounts and Audit Regulations.

3.12. The RFO shall, without undue delay, bring to the attention of all councillors any correspondence or report from internal or external auditors.

4. Budget and precept

4.1. **Before setting a precept, the council must calculate its council tax (England)/budget (Wales) requirement for each financial year by preparing and approving a budget, in accordance with The Local Government Finance Act 1992 or succeeding legislation.**

4.2. Budgets for salaries and wages, including employer contributions shall be reviewed by the council at least annually in October for the following financial year and the final version shall be evidenced by a hard copy schedule signed by the Clerk and the Chair of the Council or relevant committee.

4.3. No later than November each year, the RFO shall prepare a draft budget with detailed estimates of all receipts and payments/income and expenditure for the following financial year, taking account of the lifespan of assets and cost implications of repair or replacement.

4.4. Unspent budgets for completed projects shall not be carried forward to a subsequent year. Unspent funds for partially completed projects may only be carried forward (by placing them in an earmarked reserve) with the formal approval of the full council.

4.5. Each committee (if any) shall review its draft budget and submit any proposed amendments to the council not later than the end of November each year.

4.6. The draft budget forecast, including any recommendations for the use or accumulation of reserves, shall be considered by council.

4.7. Having considered the proposed budget and forecast, the council shall determine its council tax requirement by setting a budget. The council shall set a precept for this amount no later than the end of January for the ensuing financial year.

4.8. **Any member with council tax unpaid for more than two months is prohibited from voting on the budget or precept by Section 106 of the Local Government Finance Act 1992 and must disclose at the start of the meeting that Section 106 applies to them.**

4.9. The RFO shall **issue the precept to the billing authority no later than the end of February** and supply each member with a copy of the agreed annual budget.

4.10. The agreed budget provides a basis for monitoring progress during the year by comparing actual spending and income against what was planned.

4.11. Any addition to, or withdrawal from, any earmarked reserve shall be agreed by the council.

5. Procurement

5.1. **Members and officers are responsible for obtaining value for money at all times.** Any officer procuring goods, services or works should ensure, as far as practicable, that the best available terms are obtained, usually by obtaining prices from several suppliers.

5.2. The RFO should verify the lawful nature of any proposed purchase before it is made and in the case of new or infrequent purchases, should ensure that the legal power being used is reported to the meeting at which the order is authorised and also recorded in the minutes.

5.3. Every contract shall comply with the council's Standing Orders and these Financial Regulations and no exceptions shall be made, except in an emergency.

5.4. **For a contract for the supply of goods, services or works where the estimated value will exceed the thresholds set by Parliament, the full requirements of The Procurement Act 2023 and The Procurement Regulations 2024 or any superseding legislation ("the Legislation"), must be followed in respect of the tendering, award and notification of that contract.**

5.5. Where the estimated value is below the Government threshold, the council shall (with the exception of items listed in paragraph 5.12) obtain prices as follows:

5.6. For contracts estimated to exceed £60,000 including VAT, the Clerk shall seek formal tenders from at least three suppliers agreed by the council OR advertise an open invitation for tenders in compliance with any relevant provisions of the Legislation. Tenders shall be invited in accordance with Appendix 1.

5.7. **For contracts estimated to be over £30,000 including VAT, the council must comply with any requirements of the Legislation regarding the publication of invitations and notices.**

5.8. For contracts greater than £3,000 excluding VAT the Clerk shall seek at least 3 fixed-price quotes;

5.9. where the value is between £500 and £3,000 excluding VAT, the Clerk shall try to obtain 3 estimates which might include evidence of online prices, or recent prices from regular suppliers.

5.10. For smaller purchases, the clerk shall seek to achieve value for money.

5.11. **Contracts must not be split to avoid compliance with these rules.**

5.12. The requirement to obtain competitive prices in these regulations need not apply to contracts that relate to items (i) to (iv) below:

i. specialist services, such as legal professionals acting in disputes;

ii. repairs to, or parts for, existing machinery or equipment;

iii. works, goods or services that constitute an extension of an existing contract;

iv. goods or services that are only available from one supplier or are sold at a fixed price.

5.13. When applications are made to waive this financial regulation to enable a price to be negotiated without competition, the reason should be set out in a recommendation to the council. Avoidance of competition is not a valid reason.

5.14. The council shall not be obliged to accept the lowest or any tender, quote or estimate.

5.15. Individual purchases within an agreed budget for that type of expenditure may be authorised by:

- the Clerk, under delegated authority, for any items below £500 excluding VAT.
- the Clerk, in consultation with the Chair of the Council, for any items below £2,000 excluding VAT.
- the council for all items over £5,000;

Such authorisation must be supported by a minute (in the case of council or committee decisions) or other auditable evidence trail.

5.16. No individual member, or informal group of members may issue an official order or make any contract on behalf of the council.

5.17. No expenditure may be authorised that will exceed the budget for that type of expenditure other than by resolution of the council except in an emergency.

5.18. In cases of serious risk to the delivery of council services or to public safety on council premises, the clerk may authorise expenditure of up to £2,000 excluding VAT on repair, replacement or other work that in their judgement is necessary, whether or not there is any budget for such expenditure. The Clerk shall report such action to the Chair as soon as possible and to the council as soon as practicable thereafter.

5.19. No expenditure shall be authorised, no contract entered into or tender accepted in relation to any major project, unless the council is satisfied that the necessary funds are available and that where a loan is required, Government borrowing approval has been obtained first.

5.20. An official order or letter shall be issued for all work, goods and services above £500 excluding VAT unless a formal contract is to be prepared or an official order would be inappropriate. Copies of orders shall be retained, along with evidence of receipt of goods.

5.21. Any ordering system can be misused and access to them shall be controlled by the RFO.

6.2 The Clerk/RFO shall administer the Council's Lloyds Bank online banking arrangements. The Clerk/RFO may set up and make online payments as the sole online banking user, provided that the expenditure and payment have been authorised in accordance with these Financial Regulations.

6.3 The ability of the Clerk/RFO to make a payment through the online banking system does not itself constitute authority to incur expenditure. Authority must arise from an approved budget, a Council resolution, or delegated authority expressly provided by these Financial Regulations.

6.4 schedule of payments shall be presented to Council for authorisation or, where payment has properly been made under delegated authority or between meetings, for retrospective reporting. Invoices and other supporting evidence shall be retained.

6.10 The RFO shall ensure that payment details, including supplier bank details, are checked against the supporting documentation before payment. Changes to supplier bank details shall be independently verified using a known or independently obtained contact method wherever practicable.

6.11 The Council shall maintain compensating internal controls for sole online payments. These shall include regular reporting of payments to Council, retention of an auditable payment trail, and independent verification of bank reconciliations by a councillor who is not the Chair at least quarterly and at the financial year end.

6.12 6.7 The Clerk and RFO shall have delegated authority to authorise payments in the following circumstances:

i. any payments of up to £500 excluding VAT, within an agreed budget
ii. payments of up to £2,000 excluding VAT in cases of serious risk to the delivery of council services or to public safety on council premises.

iii. any payment necessary to avoid a charge under the Late Payment of Commercial Debts (Interest) Act 1998 or to comply with contractual terms, where the due date for payment is before the next scheduled meeting of the council, where the Clerk certify that there is no dispute or other reason to delay payment, provided that a list of such payments shall be submitted to the next appropriate meeting of council

Such payments shall be reported to the next meeting.

8.2 Personal cards may only be used for properly authorised Council expenditure where use of the Council's normal payment method is impracticable. Reimbursement shall require a receipt or other evidence and shall be reported through the normal payment process.

8.3 The Council shall not maintain a petty cash float unless it resolves otherwise. Cash received on behalf of the Council shall be recorded and banked intact; it shall not be used directly to meet expenditure.

Any Strategy and Policy shall be reviewed by the council at least annually.

11.4. All investment of money under the control of the council shall be in the name of the council.

11.5. All investment certificates and other documents relating thereto shall be retained in the custody of the RFO.

11.6. Payments in respect of short term or long-term investments, including transfers between bank accounts held in the same bank, shall be made in accordance with these regulations.
